

Rochellean 63

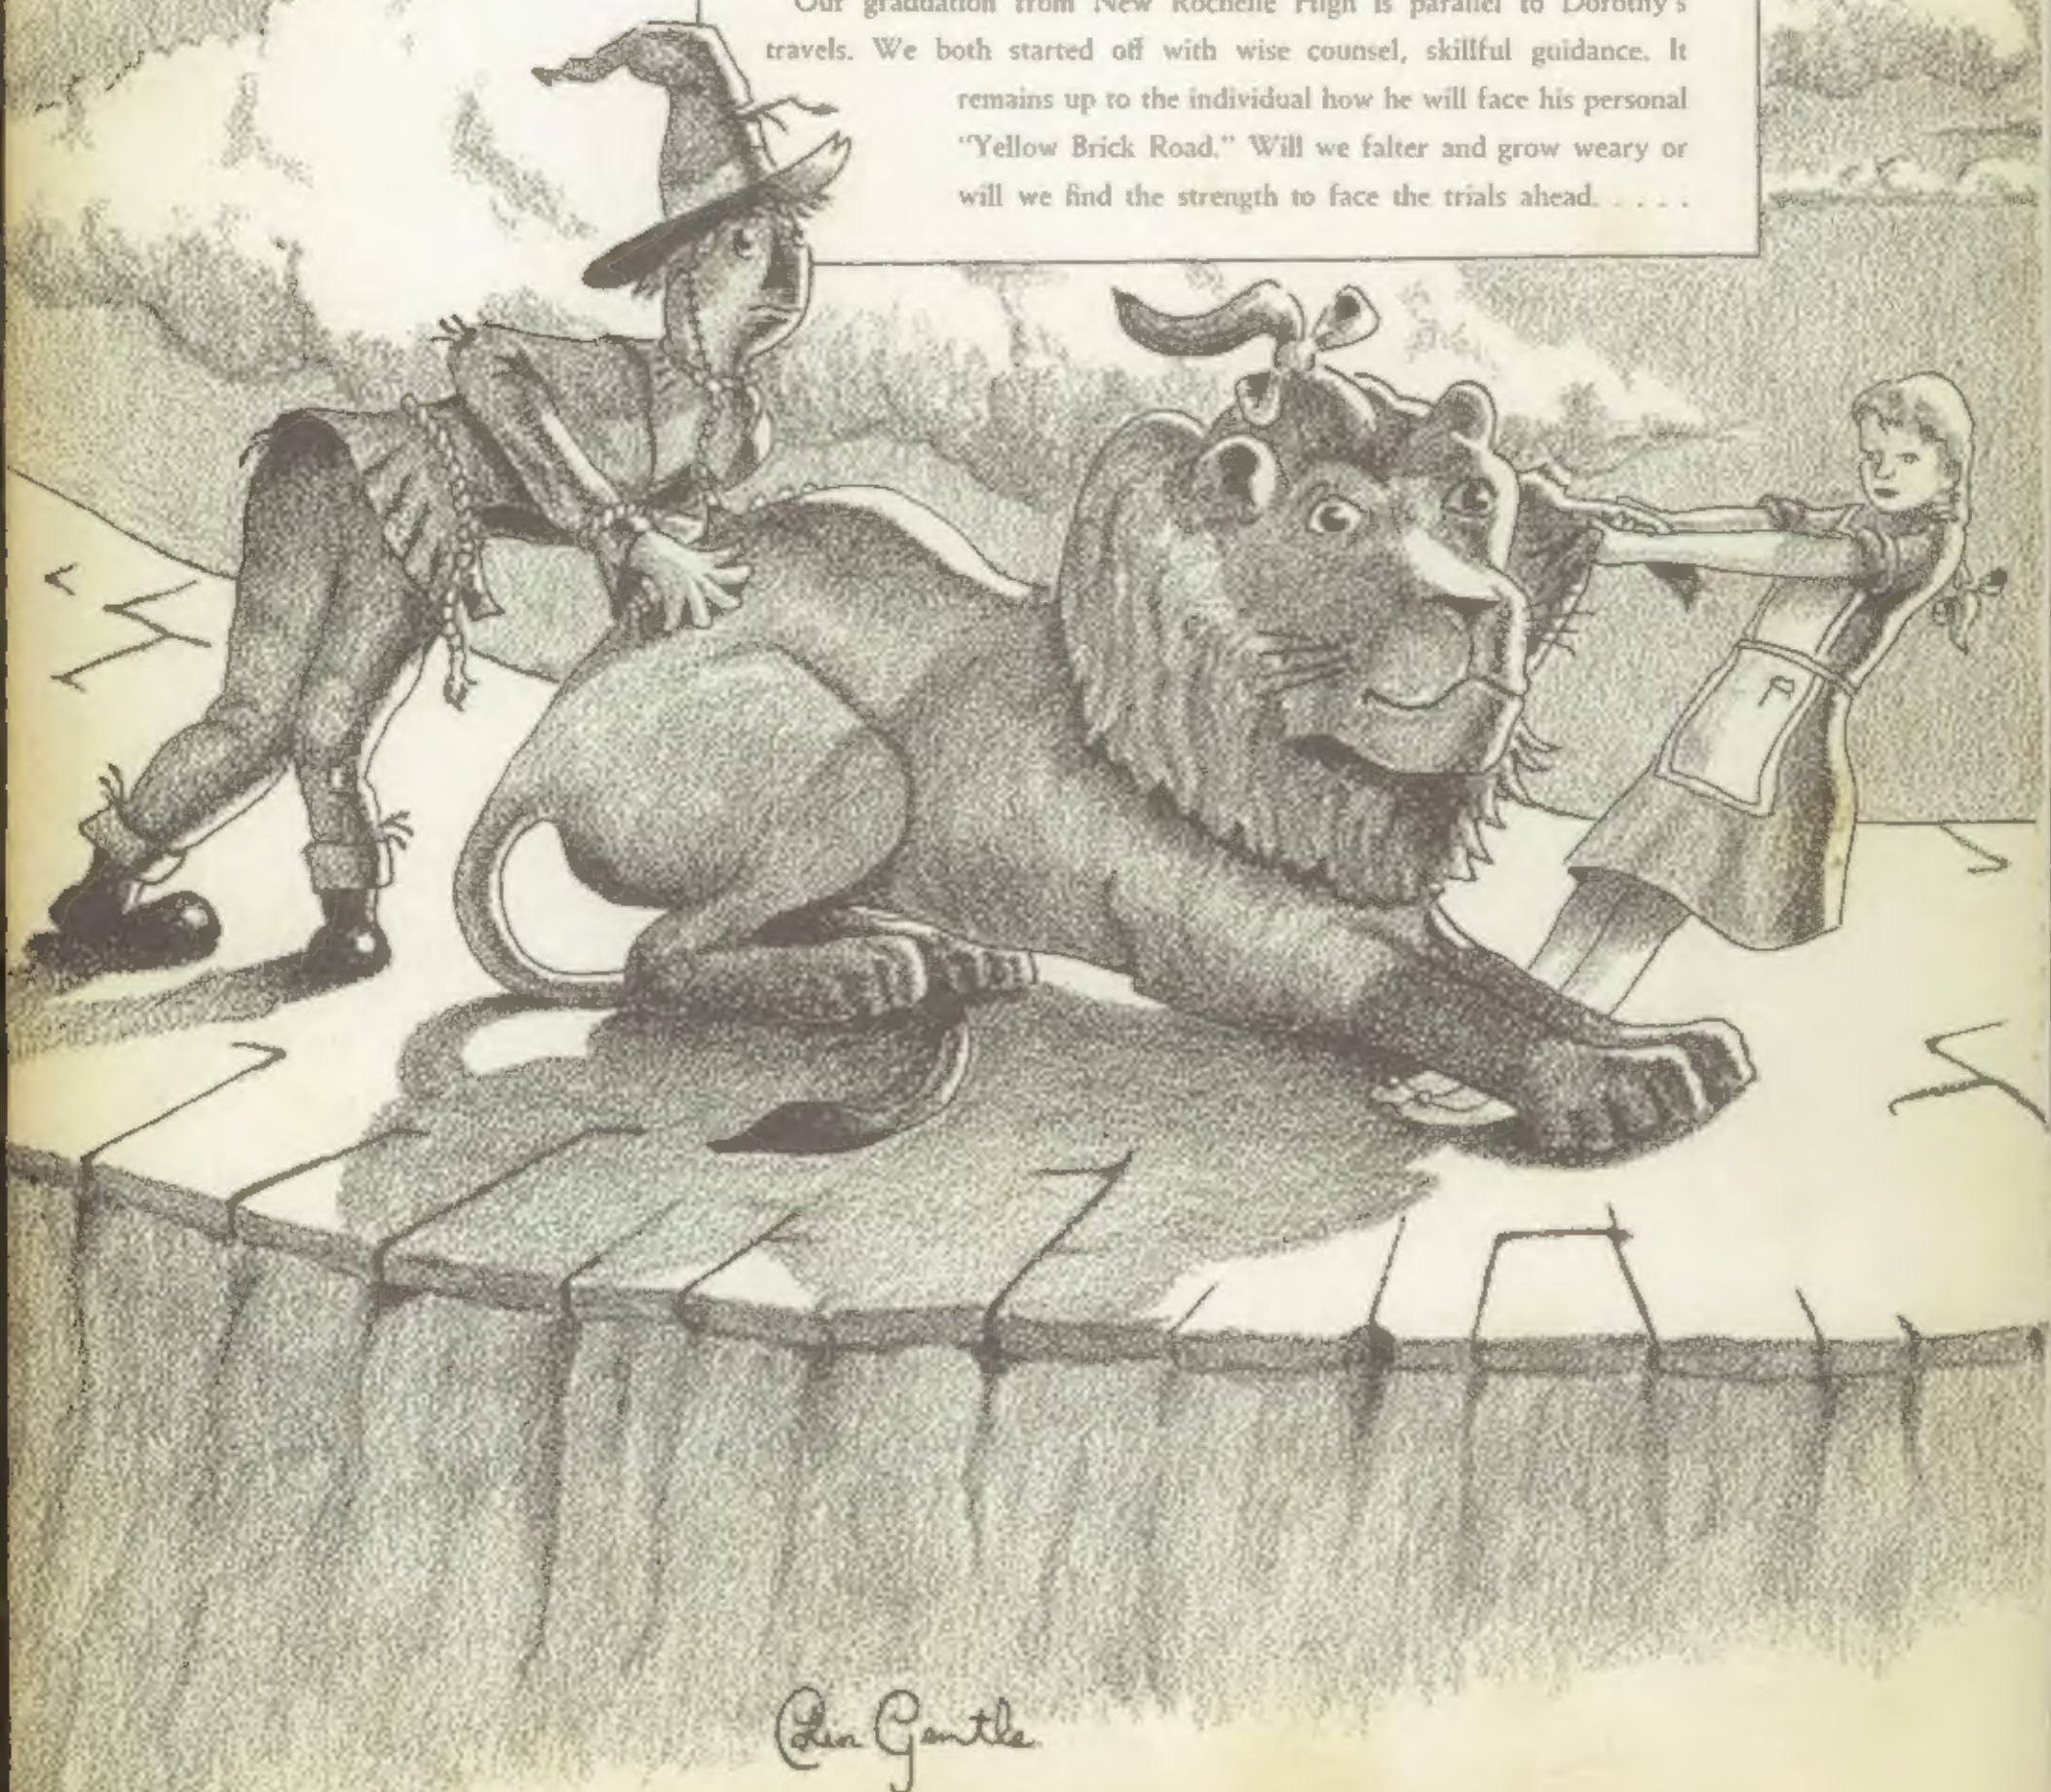

Theme

When Dorothy was flung into the land of Oz from the back of a wild tornado, she was confronted with a totally new and strange environment. Behind her lay the warm security of her home in Kansas. Ahead of her lay a vast ocean of uncertainty which would require courage and fortitude to cross. But Dorothy didn't waver. She boldly faced each new obstacle with a strong spirit of adventure. She made many new friends, three of whom were especially very close to her. From these three, Dorothy gained priceless wisdom.

The cowardly lion taught her that courage lies deep in every heart and springs forth in times of crises. The tin man taught her that love is a spontaneous and not a manufactured emotion. But the scarecrow taught her the most sacred of all lessons. Knowledge is the key to life and success, and education is the source of that key.

Our graduation from New Rochelle High is parallel to Dorothy's travels. We both started off with wise counsel, skillful guidance. It remains up to the individual how he will face his personal "Yellow Brick Road." Will we falter and grow weary or will we find the strength to face the trials ahead. . . .

Rochellean 1963 ~

One of the most treasured remembrances of New Rochelle High School is our yearbook, published each year under the expert supervision of Miss Anne H. Koff.

By her devotion and enthusiasm in leading us in the production of the Rochellean, Miss Koff has shown her sincere interest in us. Although she prodded us into many hours of hard work, the very gratifying result was worth all the effort.

Miss Koff came to New Rochelle after completing her Master of Arts degree in English at Columbia University. In 1949 she became a member of the staff of the English department of the New Rochelle High School and took over the publication of the yearbook.

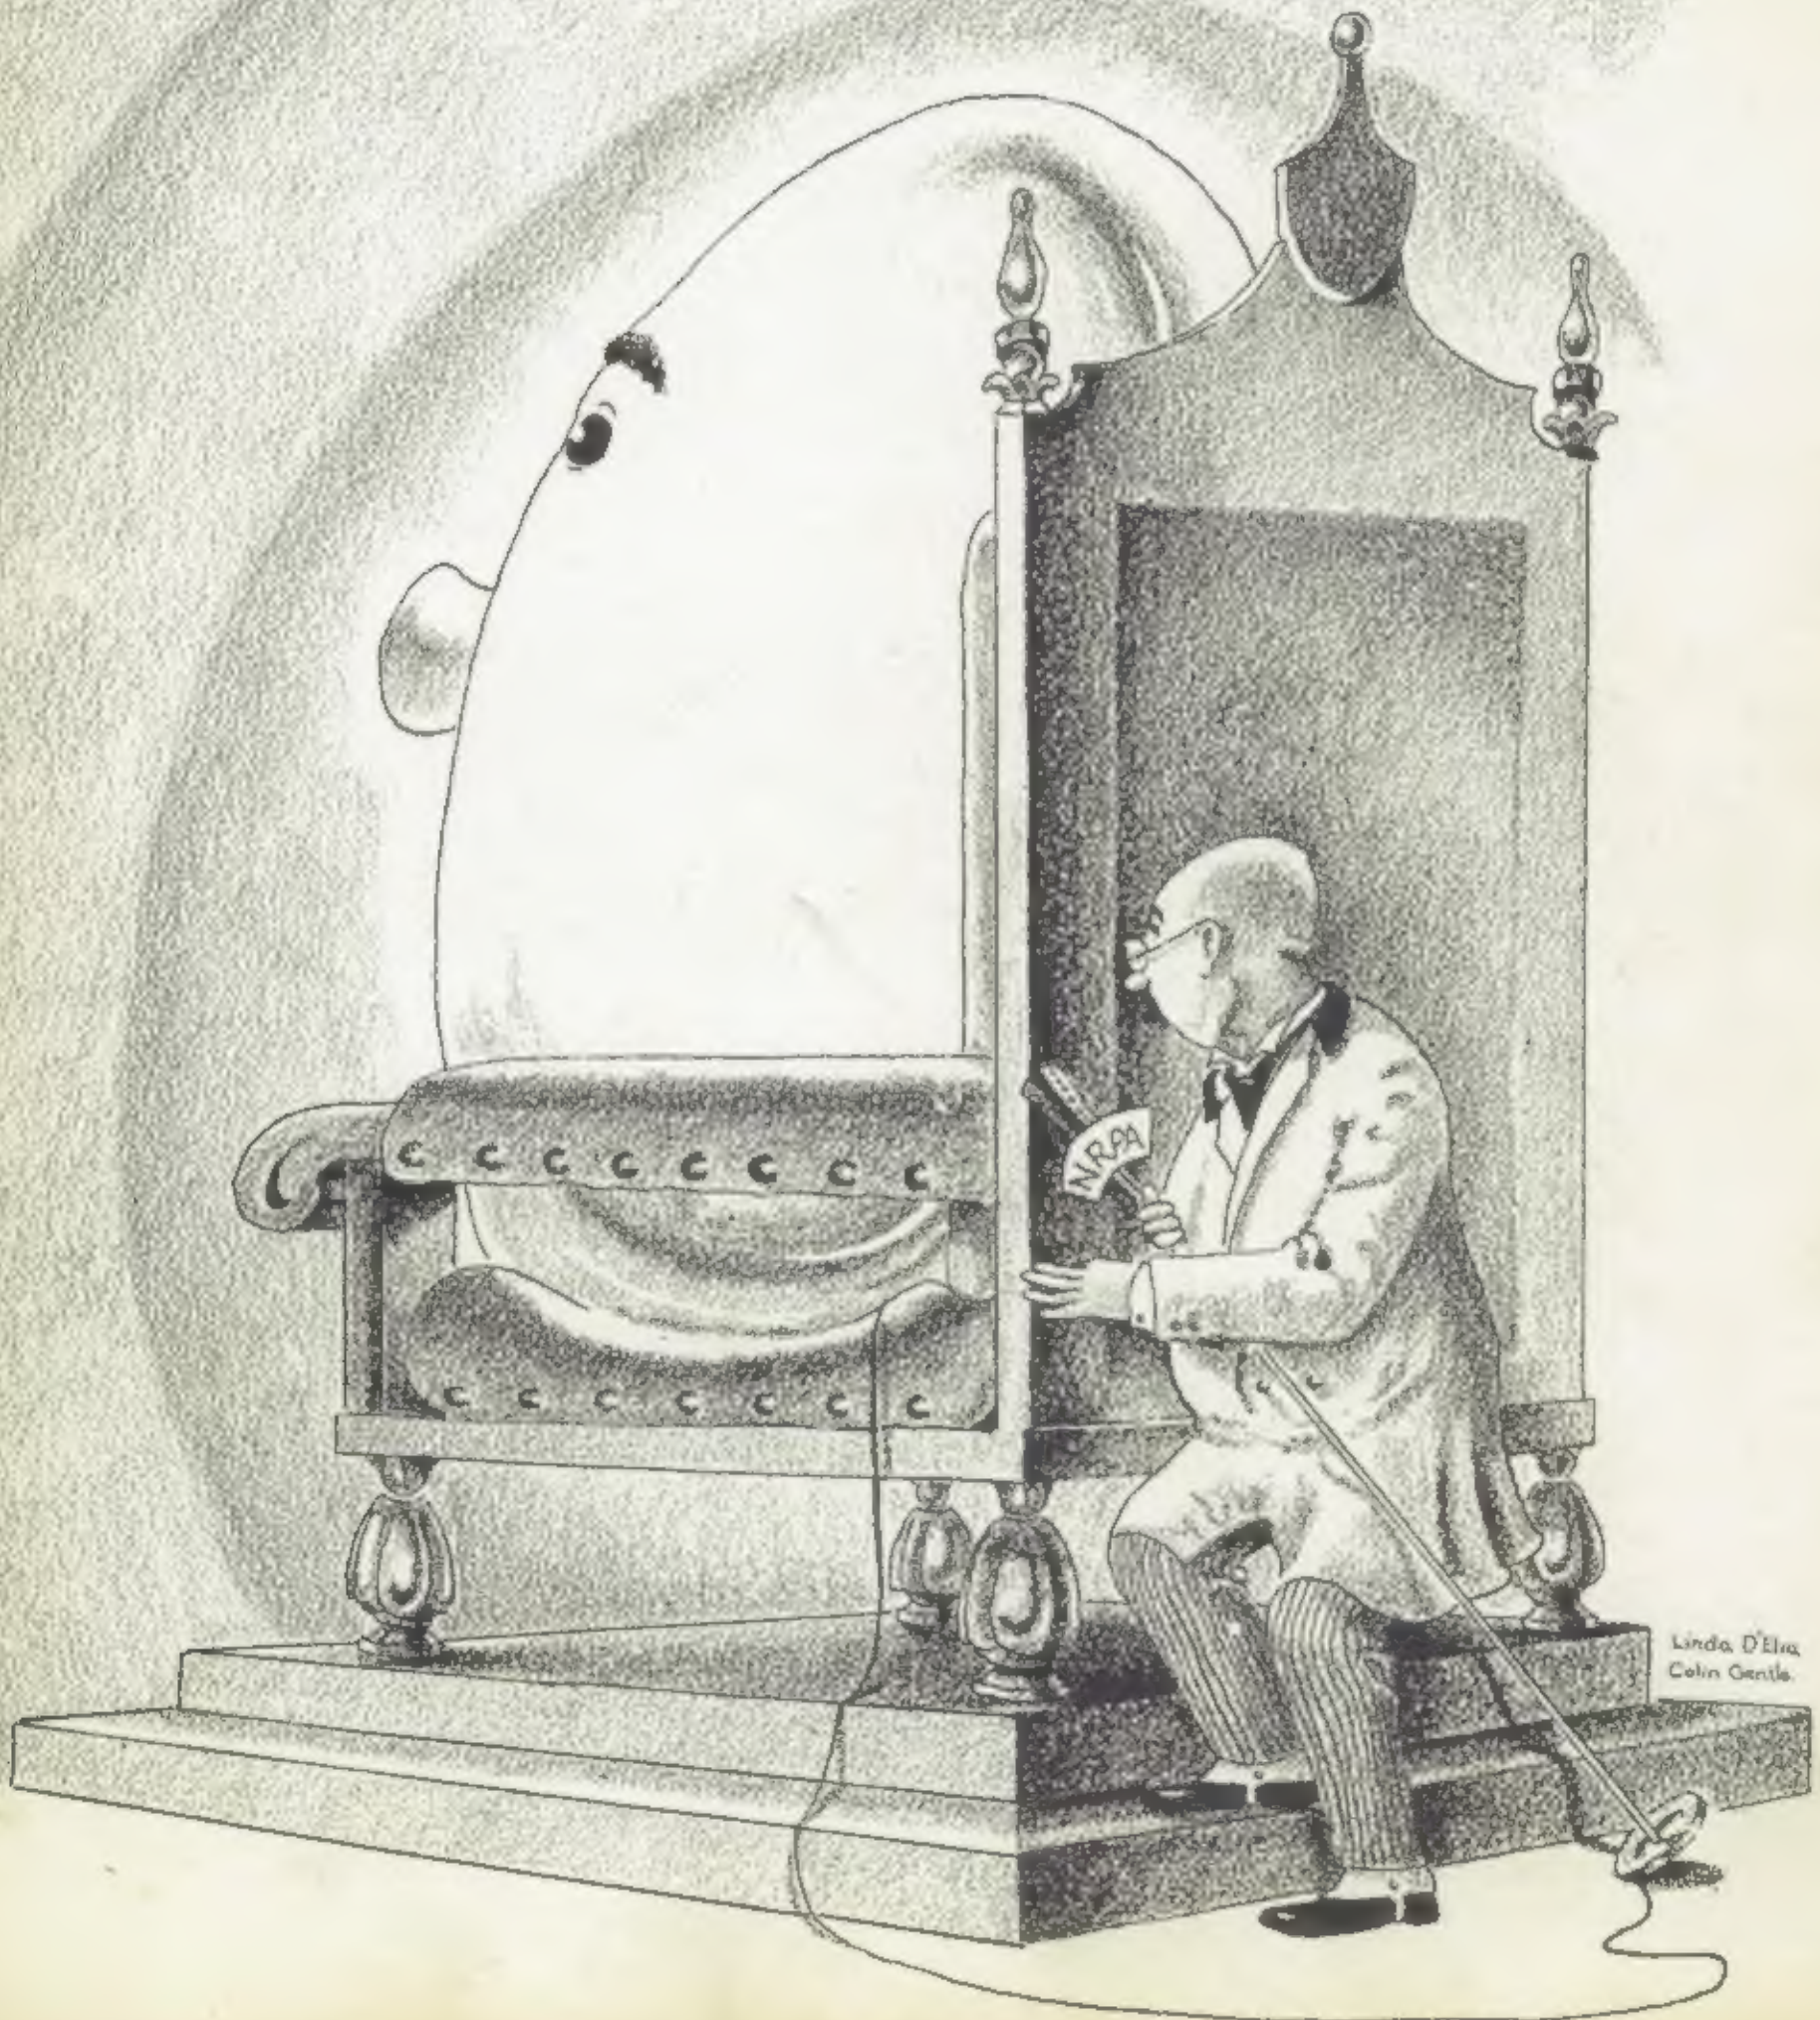

Only twice during the past twelve years has Miss Koff turned the yearbook over to other teachers for publication. In 1950 she left on a Fulbright Fellowship Exchange to Belfast, Ireland, where she gave courses in education and literature to teachers-in-training. Since then (up to 1962) Miss Koff has been a member of the regional committee which interviews teachers applying for positions overseas.

In 1955 Miss Koff left again on a Ford Fellowship, engaged for a year by the Ford Foundation in pursuing a project related to schools in the United States and England.

Miss Koff has taught not only in New Rochelle and Belfast but in Oakland, California, and at the University of Puerto Rico. Her interests lie in education and in literature; she has done graduate work at several universities and once spent a year in France studying French literature.

To Miss Koff who has been so devoted in making our yearbook a success, we, The Class of 1963, dedicate this yearbook.

Wizards

For the past twenty-two years, New Rochelle High School has been honored to have a distinguished and gifted artist as its commercial art teacher, Mr. Walter Beach Humphrey is a dedicated educator who is loved and respected by his many students.

Mr. Humphrey has been a resident of New Rochelle since he was eleven years old and is an alumnus of New Rochelle High School. He attended Dartmouth College and graduated Phi Beta Kappa. He has taught at several leading colleges and universities and has worked as an illustrator and a cover designer. He has also actively participated in several art associations throughout the country.

Mr. Humphrey is not only an outstanding teacher, but an excellent artist. His murals may be seen in the Richard Hovey Grill at Dartmouth College and at the Dartmouth College Club in New York City.

Mr. Humphrey and the members of the commercial art classes have drawn the illustrations for the Rochellean since 1949. Through his supervision and guidance, these illustrations are of a professional nature and have always been highly praised.

Mr. Humphrey is leaving New Rochelle High School this year and it is for this reason that this yearbook has been dedicated to him also. He will long be remembered for his outstanding service and devotion to our school and his students.

MR. HUMPHREY

DR. CLETUS A. CLOW

Dr. Cletus A. Clow has, for the past nine years, been the devoted and inspiring faculty adviser to the Rochellean Business Staff. His warm personality and friendly attitude have endeared him to every student with whom he has worked.

Under his guidance the Business Staff has raised enough money to sell the yearbook at less than cost, and has established three scholarships to help deserving students continue their educations. While teaching us how to go about our job of financing the yearbook, Dr. Clow has given us a free hand, and encouraged us to use our own judgment. When disaster threatened our annual dance, the Rochellean Stag, he maintained his usual good humor, and, as we all know, came through with flying colors.

Those of us who know him best find him to be a warm, understanding person with a quiet sense of humor and a talent for achieving his goals. We know that without his superb leadership we could not have financed a yearbook as beautiful and commendable as ours, and thus we, the class of 1963, dedicate this yearbook also to Dr. Clow.

MR. SIM JOE SMITH

BOARD OF EDUCATION

Welcome

My dear graduates:

Since this is my first year in our beautiful city of New Rochelle, my memories of the class of '63 will always have some special poignancy.

None of us knows what the future holds in store for you. God willing, the members of this class will still be vigorous—yes, even young when the twenty-first century rolls around. However, even if space travel and other as yet unimagined wonders are commonplace by then, we feel that what you have learned at New Rochelle High School will be of permanent worth.

It is my hope that our talented and conscientious teachers, by precept and example, have imbued you with a deep and enduring love for people, and given you the physical and emotional stamina, intellectual curiosity, academic skills and ethical values needed for a long, creative and happy life.

Sincerely yours,
David G. Salten

Reading left to right of picture: Sam A. Kollmer, Jr., David Streger, Seth Glickenhart, Charles Rosanelli, Alvin L. Gelfitz, Clerk & Secretary to the Board of Education; Dr. Frank F. Marino, President of the Board of Education; Dr. David G. Salten, Superintendent of Schools; Mrs. Wilton R. Flippin, Vice President of the Board of Education; James Bishop, Phillip Kasakova, Edward Robie.

Farewell

MISS F. LORETTA COONS
Principal

In our three years at New Rochelle High School, we have indeed been fortunate to find ourselves under the leadership and guidance of Miss F. Loretta Coons. Words cannot express the deep feelings of gratitude and esteem which we, the senior class, hold for our principal.

Miss Coons' devotion and concern have served as inspiration to the members of the graduating class. Rarely is such devotion present in one individual. As principal, Miss Coons has served as a source of encouragement in both school and extra-curricular activities. While always stressing the importance of scholarship, Miss Coons has never failed to recognize the importance of outside activities, which have strengthened our school and brought great benefits to us.

It is this unique devotion which we, the class of 1963 salute, saying "thank you" to Miss Coons, who has given so graciously of herself to New Rochelle High School.

MR. HAROLD A. DALY
Assistant Principal

We are all familiar with Mr. Daly's warm smile and mild manner which have softened the atmosphere of discipline in his office and calmed the fears of many students.

Mr. Daly's understanding has drawn the graduating class of 1963 and him closer together. Often has our fine relationship helped see us through major and minor crises. We regret that we will no longer be under the leadership of such a fine man.

The class of 1963 thanks you, Mr. Daly, and hopes that future students will be fortunate enough to become acquainted with your fine qualities.

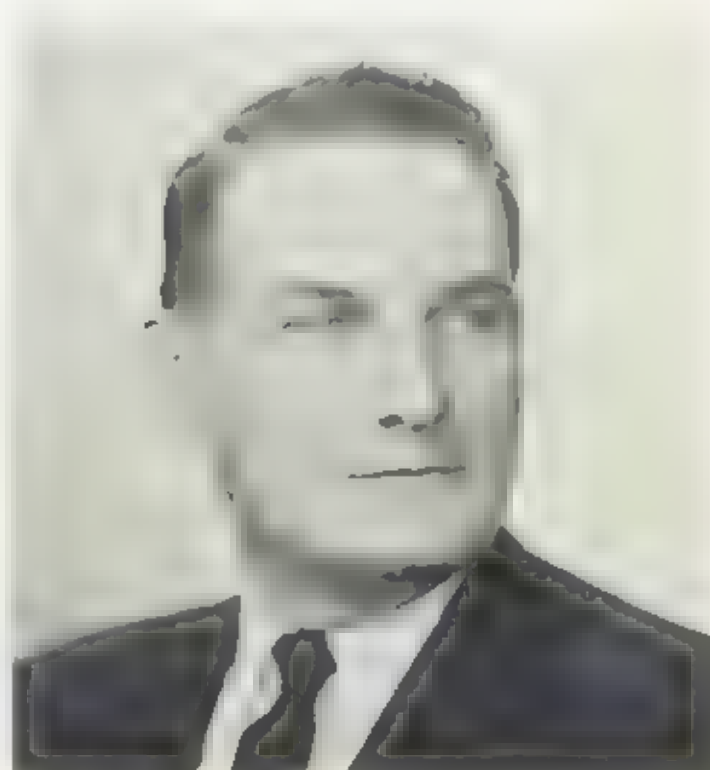

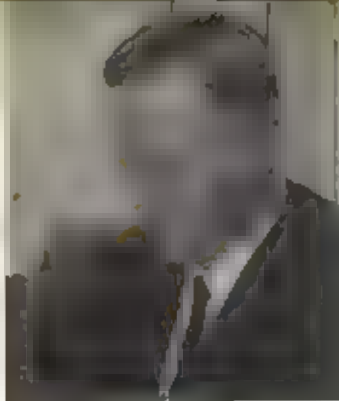

MR. JOHN T. DONOVAN
Assistant Principal

Discipline is a difficult task, especially at such a large school as New Rochelle High School. Mr. Donovan proved himself capable of handling this and other problems. Whether there was a traffic jam or the need for an usher, Mr. Donovan was always willing to lend a helping hand.

The class of 1963 came to have great respect for Mr. Donovan. We did not mind his stern glances and his reprimands because we knew that justice had been done, and that we had benefited from it.

In appreciation of his time and effort, our entire class thanks him, and wishes him success and happiness for the future in his new position. New Rochelle High School will miss him very much. Our very best wishes go with our popular assistant principal.

In Memoriam

RICHARD PAUSHTER

The fond memory of Richard Paushter will be everlasting in our hearts. To all those who knew him, he was characterized by his cheerfulness and his sincerity

An active member of the New Rochelle High School Band and Orchestra, Richard was very much interested in the drums. He was part of a small band which entertained at various colleges in the East. Richard's other interests included sciences and the stage crew

We will always remember Richard for his fine qualities and we were proud and fortunate to have known him

SENIOR CLASS HISTORY

Just as the characters in the "Wizard of Oz" will always live on because of the warmth that they inspire in our hearts, so will our memory of New Rochelle High School.

Our three years here have passed so swiftly that we can only realize the progress that we have made by briefly reliving some of the highlights of our high school careers. During this time we have matured rapidly and have fully realized our traits of leadership, ability and cooperation. Many of us have learned and practiced the very vocations that we will follow in the future. We have brought honor to the school in scholastic achievement, athletic glory, artistic works and scientific pursuits.

As sophomores we entered the high school dazed and lost, as were Dorothy and her companions in the land of Oz. We were adrift in a maze of winding corridors, new faces and baffling subjects. Rapidly, however, we showed our adaptability to our new life as we united under the leadership of Robert Cane, President, Ann Wallach, Vice President, Amy Kaplan, Secretary and Dennis Meir, Treasurer. Under their direction we had many financially and socially successful coke and prom parties and a popular student teacher baseball game, all of which helped weld our class closer together.

As juniors our interests broadened and we became cheerleaders, twirlers, members of varsity teams and

participated in almost all school activities. Once again we elected capable officers: Robert Cane, President, Dennis Meir, Vice President, Jacquelyn Days, Secretary and Glenn Quittell, Treasurer. Under their guidance we introduced some new innovations in activities by showing the movie "On the Waterfront" and by having a hook sale. Both of these activities proved to be tremendous successes. Our Junior Prom, "Esperanto," with its four corners of the world theme proved to be one of the best ever held.

We were now ready to assume our positions of responsibility as seniors and did so proudly. In an early election we elected Tom Scott, President, Dennis Meir, Vice President, Nancy Blumberg, Secretary and Steve Goldstone, Treasurer. Although we worked long and hard on committees, programs, college applications, college boards and part time jobs, we still found time to participate in school activities and sponsor our Senior Variety Show, Winter Prom, sell beanies and animals and round out the year with Class Day, Senior Week, the Senior Prom and our long-awaited graduation, thus drawing our happy high school careers to a close.

Just as Dorothy was ready to face reality after her visit to Oz, so we are now ready to face the world richer for the experience that we have gained in New Rochelle High School.

CLASS SPONSORS

In 1959 as we embarked upon our high school careers, we were aided in our efforts by the able assistance of Mr. Frank Agresta and Mrs. Barbara Levine as our sophomore class sponsors.

At the beginning of the 1961-1962 academic year, the Junior Class Executive Council unanimously chose Linda Glass and Frank Agresta and

asked them to serve as our sponsors for two years.

During our three years here, our sponsors have been behind us in all our endeavors. Often it was through their encouragement alone that our activities were successful. Among these activities were dances, cake and candy sales, Senior Week and the Senior Prom.

GENERAL ORGANIZATION

Under the able guidance of Robert Kaplan, President, Bart Arnold, Vice-President; Laraine Swidler, Secretary, and Glenn Quittell, Treasurer; the G.O. of 1962-1963 has sponsored, among other things, school spirit

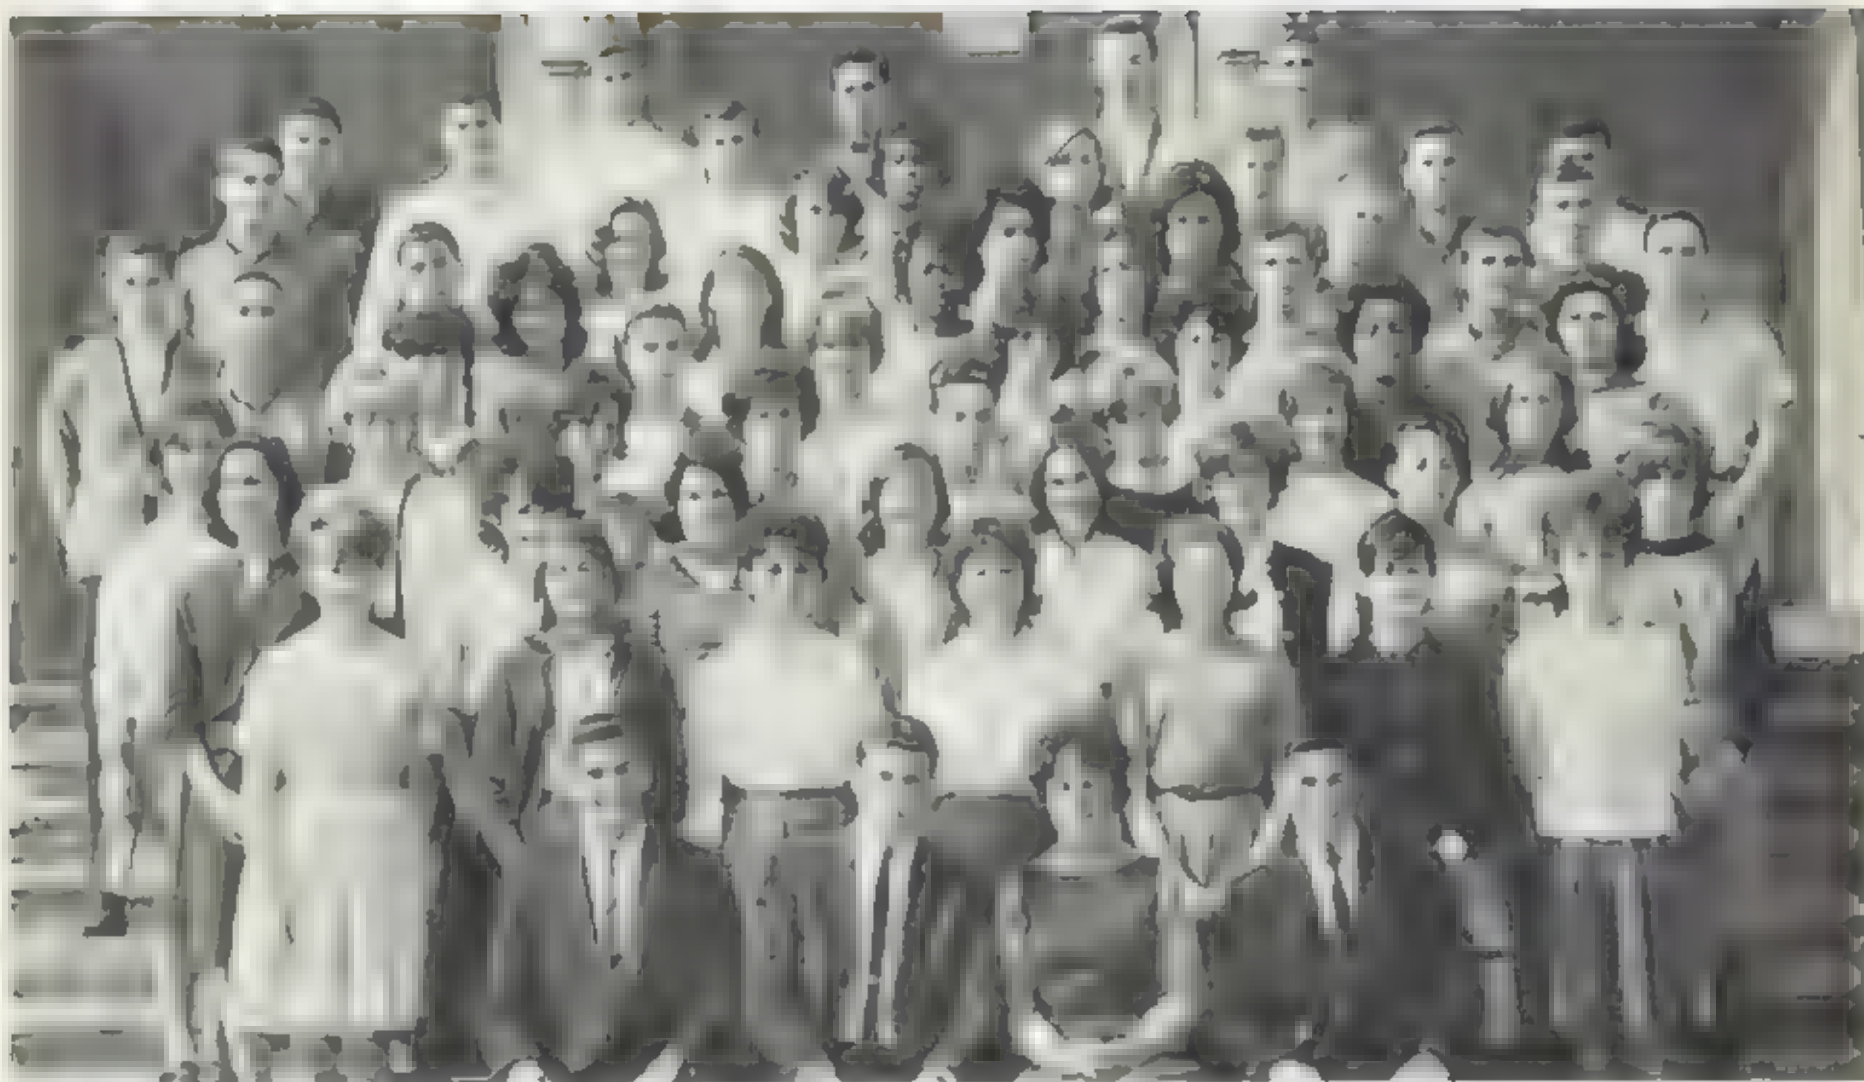

A membership drive, under the direction of Chairman Roberta Small, started off the year with a student rally in the gym. To celebrate our impending victory over White Plains the G.O. sponsored the "Tiger Tumble." A variety show was also held by the G.O. in the fall to display N.R.H.S. talent

School supplies and books were again available at the G.O. Store through Chairman Ruth Rosen. An im-

pressive list of discounts was offered through the efforts of Chairmen Polly Kasin, Geoff Reiner, and their committee

Other chairmen and committees who helped the G.O. run effectively were Publicity, Rosalind Kohl and Steven Johnson; Ways and Means, Nancy Blumberg and Margery Schneller; Constitution, David Pisetsky, Frederick Sanjek; Elections, Barbara Jacobson, Lowell Bergman and Edward Doherty. The Parliamentarian was Daniel Serwer

The student body thanks the G.O. for a job well done

G.O. COUNCIL

G.O. COMMITTEE CHAIRMEN

NATIONAL HONOR SOCIETY

"Scholarship, leadership, character, service" is the motto of the National Honor Society. The purpose of the New Rochelle High School chapter is the promotion of these ideals, not only among its members, but throughout the entire student body.

This year, National Honor Society has been more active than in the past. Under the leadership of Mr. Edward Pasciuti, Sponsor; Joseph Michelson, President; David Brandon, Vice President; and Carol Drescher, Secretary, the society's goals have been realized. A program of student tutoring has been initiated. Profits from this and other activities have formed an Honor

Society fund. Following National Honor Society tradition, juniors and seniors who qualified were inducted into Honor Society during an impressive ceremony in May.

In addition to the officers, Senior members elected in May 1962 include Maria Armiento, Jeffrey Barnett, Stuart Belkin, Phyllis Birnbaum, Robert Cane, Anthony Dos Reis, Frank Dunkl, Richard Eilbert, David Enock, Joel Gewirtz, Stanley Greenberg, Andree Kahn, Barbara Margolis, Dennis Meir, Alfred Mondelli, Carol Osborne, David Pisetsky, Bruce Reich, Ilene Rodnick, Daniel Serwer, and Robert Yankowitz.

"A" CHOIR

THE CHOIRS

Under the leadership of the incomparable C. J. Broadhead, "Mr. B.," this year's choirs have scored outstanding vocal triumphs in the school and throughout the community.

The combined choir sang first for the school at the

yearly Christmas Concert given on December 19. The A Choir, according to tradition, carried on the halls during the eighth period prior to the Christmas vacation. The A choir also gave their annual Christmas program at the First Westchester National Bank to a large and en-

GIRLS' CHOIR

divided audience. The A choir was further engaged at the Forum when it started to sing for Rinal B. with on Feb. 20. Finally, the combined choirs sang again for the school at the Spring Concert.

The triumphs of the choir as a school organization

is never fully realized. Aside from giving those with vocal talent a chance to sing and express themselves masterfully, it serves to tie the school closer together in spirit and unity.

SOPHOMORE CHOIR

THE ORCHESTRA

The New Rochelle High School Orchestra, even though involved in the same leadership problems as the band, has still maintained its high standard of being one of the best in the county

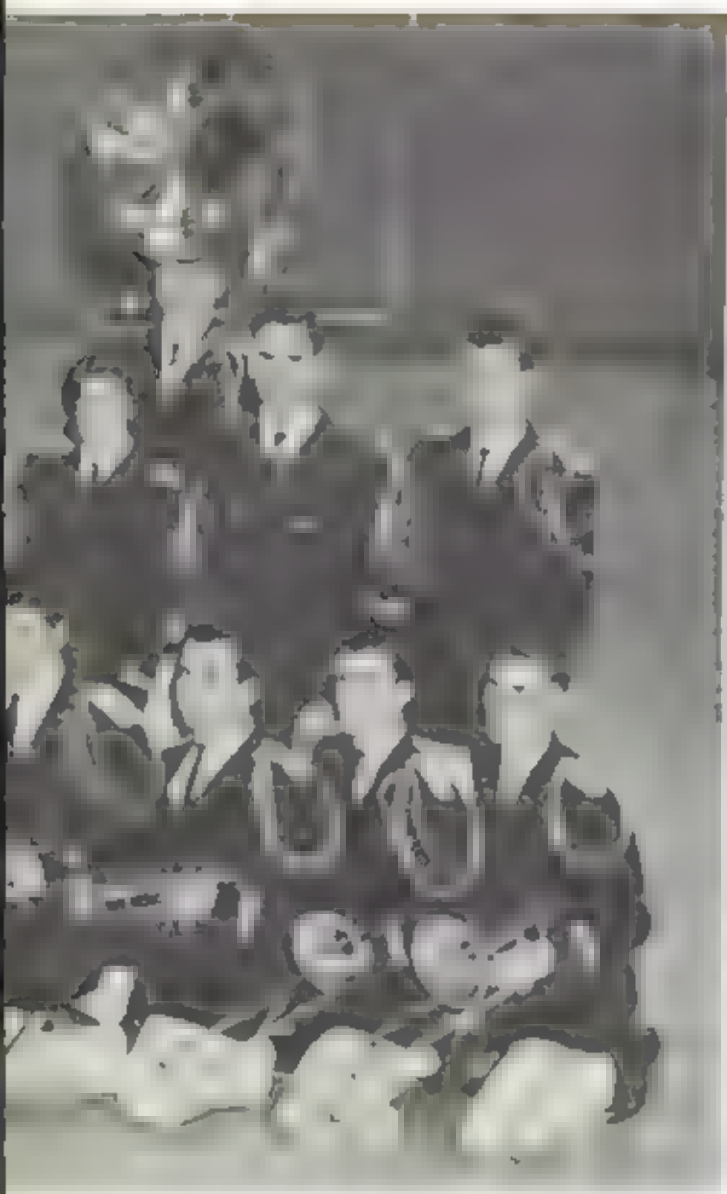

The members practiced diligently "Exodus" and "The March of the Toys" for the Spring Concert, which proved to be a huge success

Earlier in the term many orchestra members tried out for the All-County Band and Orchestra. We can be proud to say that twelve received the honor, and a few of them were also accepted in the All-State Band and Orchestra

In the spring a select few did an excellent job under the superior direction of Mr. Minot, for the musical, "Finian's Rainbow

Much credit goes to the fine direction of Mr. McDonald, Mr. Barton, Mr. Valis, Mr. Lieberman, and Mr. Minot. Many thanks also go to the wonderful musicians of whom we can all be extremely proud

THE BAND

This year, the students of the New Rochelle High School Band deserve an extra measure of credit for the fine effort they've made under some exceptionally unfortunate conditions. During Mr. Minot's leave of absence, Mr. McDonald, Mr. Barton, Mr. Valis, and Mr. Lieberman, with the helpful assistance of President Jan Lucas, and Business Managers Bob McKay and Frank DiGiacomo, did an outstanding job in keeping all three divisions of the band intact.

The Concert Band worked diligently on "Clarinet Escapade" with soloist Bruce Hammer; and "Trumpet in the Night," soloist, Frank DiGiacomo, for the Spring Concert.

The Marching Band, despite the season's bad weather conditions, appeared at most of the football games, two of which were televised, and in the Thanksgiving Day Parade.

The Pep Band played at the remainder of the football games, at all of the pep rallies, and at basketball and soccer games.

Much credit should go to these students who by their conscientious cooperation with all concerned have developed an organization from which we all derive much pleasure.

HUGUENOT HERALD

Under the leadership of Miss Chrisanthie Carozi, Faculty Advisor, and Joel Gewirtz, Editor-in-Chief, the *Huguenot Herald* has efficiently recorded and publicized the news of our school. This year, in addition to information about school events, the *Herald* contained numerous cartoons and an enlarged feature department. An issue was published every six weeks. Over half of the issues were expanded to six pages.

Assisting Joel on the Editorial Staff were Phyllis Birnbaum, Managing Editor; Eve Hlavaty, Feature Editor; Ilene Rodnick and David Pisetsky, News Editors; Jeff Mamorsky, Sports Editor, and Barbara Orlin, Copy Editor. Staff Artist was Alan Herman. Louise Mandel was in charge of circulation.

Although the General Organization partially subsidizes the *Herald*, the paper itself pays for much of the printing cost. The Business Department, led by Koz Kohl, Business Manager, and Margie Gelb, Advertising Manager, solicits advertisements for each issue.

THE ROCHELLEAN

ROCHELLEAN STAFF

The 1963 Rochellean, whose theme is the Wizard of Oz, has been presented to the Senior Class of New Rochelle High School. The yearbook could never have been possible without the hard work of the Rochellean Staff and Miss Koff who skillfully and willingly aided in each detail.

We owe a special thanks to Dr. Clow and Mary Watson who carefully supervised the Business Staff and raised the necessary funds. The Rochellean Staff also extends its gratitude to Mr. Humphrey and Colin Gentle, Art Editor, who with Linda Ornstein, Kenny Rainone, Pat Motta, Judy Burke, Dave Bergstein, Joseph Quattrochi, Linda Delia, and Frank Dunkl have pro-

vided the unusual and interesting art for the yearbook. Most of all we would like to express our sincerest thank you to Miss Koff, who encouraged, directed and helped all of us in our endeavors.

Our Editors-in-Chief, Ellen Jarschauer and Glenn Quittell; Associate editor, Merrie Rich; Literary editor, Carol Drescher; and Assistant editor, Lynne Motzkin with Jayne Byrnes, Joseph Ganz, Bruce Granat, Kristina Hosek, Lester Jacobson, Baiha Kocins, Lynn Laitman, Elliot Mason, Charyn McBride, Pamela Porr, Carol Rosenfield, Susan Spevack, Melinda Weiss, and Lori Weinstein have created a yearbook that, we hope you will agree, surpasses all previous ones.

THOMAS FALK A.F.S. Foreign Student

"When my father returned from Finland in 1942 . . . , he met my future mother in Stockholm. He, the son of a bank director, and she, the daughter of a professor of enterprising economics, decided to marry. So they did in 1943 and I was born in 1944."

And eighteen years later, Thomas Falk of Linköping, Sweden, son of Claes and Erna-Brita Falk was the guest of New Rochelle High School in the United States of America. Tom, as he was called by the many friends he made here, was participating in the American Field Service program, an experiment in international living designed to promote peace and understanding among the world nations. New Rochelle proudly participated in the program for the first time upon fulfillment of the requirements of the national club.

Tom partook of both the same toils and pleasures as the rest of our New Rochelle High School students. He carried a heavy load of school subjects in addition to his first hand study of the American

language and mannerisms, yet also found time to fit in many social activities. He was the guest speaker at many of the school's clubs and he participated actively in the sports program as an excellent hockey and soccer player. Tom's other interests lie in music, especially in jazz, and as Tom said, "I try to play the trumpet, too!"

Back in Finland Tom participated in his school government as a head prefect and a member of the student council and he exercised his talent for leadership as vice-president of the school athletic club.

Greatly interested in the world of today and in politics, Tom admitted his best subjects were geography, history and the sciences and he has considered becoming an economist.

Welcome as are all foreign students to our high school, we feel Tom has fulfilled the purpose of the organization which he represents and has become fully acquainted with the varied and busy American way of life.

ANA ISABEL CODDU CHARLES

Foreign Student from Chile

As this trip fulfills an old dream of mine, I am very happy to be here in the United States and especially in New Rochelle High School in which I have learned American manners and feelings

During this period I could appreciate that the educational system is completely different from the Chilean one because its program of study is more intensive and ours is more extensive

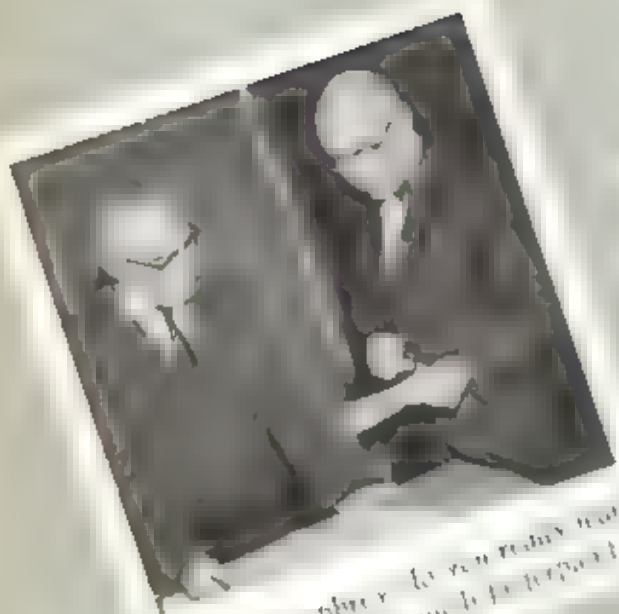

While here subjects are elective, in Chile we have for each grade the same program through all Chile

The 20th of January, I am going to New Jersey to another host family and I hope that they will be as nice as my first host family which I really love

The 10th of February, I am going to New York City for 20 days and at the end of this period we will start a trip through the southeast of the United States

At the end of this forum, we will have an evaluation period at Sarah Lawrence College and then, with sadness, I will leave this beautiful country on the 26th of March

BLAME IT ON THE I.B.M.

This year's new programming headquarters is the I.B.M. room. The I.B.M. has become the victim of criticism from all sides

IF a student ends up in cooking instead of machine shop—BLAME IT ON THE I.B.M.

IF a teacher finds out that a student got a 95 instead of a 59 on his report card—BLAME IT ON THE I.B.M.

IF the assistant principal notices that a student's name is on the absentee list when he has spent a full day in school—BLAME IT ON THE I.B.M.

And the I.B.M.? It instantaneously formulates its answer—"ME CAN'T MKE MAKE MISTAKES!"

P.S. But it cuts the clerical work in half—and now we just couldn't do without it! I.B.M.? Mechanization? All Hail!

And the cycle starts all over again.

Mechanization?—Humbug!!!!

FOOTBALL

The 1962 football team completed another successful campaign with a 5-1 record. Two major contests were cancelled because of the poorest weather anyone can remember. Four games were played on wet playfields. Games missed were with Stepinac and upstate power Rome Free Academy.

In the opening tussle, N.R.H.S. defeated a favored White Plains team 14-6 with the outstanding performances coming from both a strong offense and defense.

New Rochelle traveled to Port Chester for a TV appearance against the Rams and set them back 19-14 on fine efforts by Jack Foster, Oliver Hunter, Bob Marks, Norman Cohn, Andy Stone, Mike Williams, Joe Zaccagnino, Roger Heilmann, Mike Cestone, Frank Friedman and Steve Esposito. The team lost its only ball game to Mount Vernon, which was bolstered by

a new coach and the consolidation of A.B. Davis and Edison Tech 12-6.

In the remaining games the Purple Wave went on to defeat Mt. Saint Michael by a score of 20-0 and Thomas Jefferson of Brooklyn 20-9. The final game of the year against our North Avenue neighbor Iona Prep was televised and played under a steady downpour. The Huguenots managed an early score and Coach Lou Amonson's boys were victorious 7-0 and walked off the field with two aired victories to their credit.

Honors were numerous for the squad—with Roger Heilmann receiving the Con-Edison Award and McKenna Award and along with other teammates, co-captains Bob Mark and Kevin Adrian, Jack Foster, Gower Yuen, and Elliot Harris placing on various all scholastic teams.

SOCCKER

The Purple Booters had their finest season to date this fall. They compiled more wins than all previous seasons combined. After defeating Clarkstown, Concordia, and White Plains, the team suffered defeats at the hands of Spring Valley, Nyack, Scarsdale and Clarkstown. Bouncing back, Coach Shinohara's boys defeated White Plains and Concordia once again to complete their 5-6 slate.

This year's soccer squad was led by all-county Bob Corbin and Don Drayton, co-captains; George Lewis and exchange

student Thomas Falk. Falk, incidentally, broke the New Rochelle scoring record, averaging close to two goals per game.

Other indispensable members of the 1963 team who are graduating were Joe Ganz, Mike Glick, Pete Conrad, Lee Miller, George Rockmore, Barry Gutterman, and Stuart Schwam. Coach Shinohara is eagerly awaiting for Rudy Gerendo, Pete Piltz, Andy Roffe, Ed Platt, Herman Breneich, Roy Stillman and Frank Lorre to return and form the nucleus of next year's team.

BASKETBALL

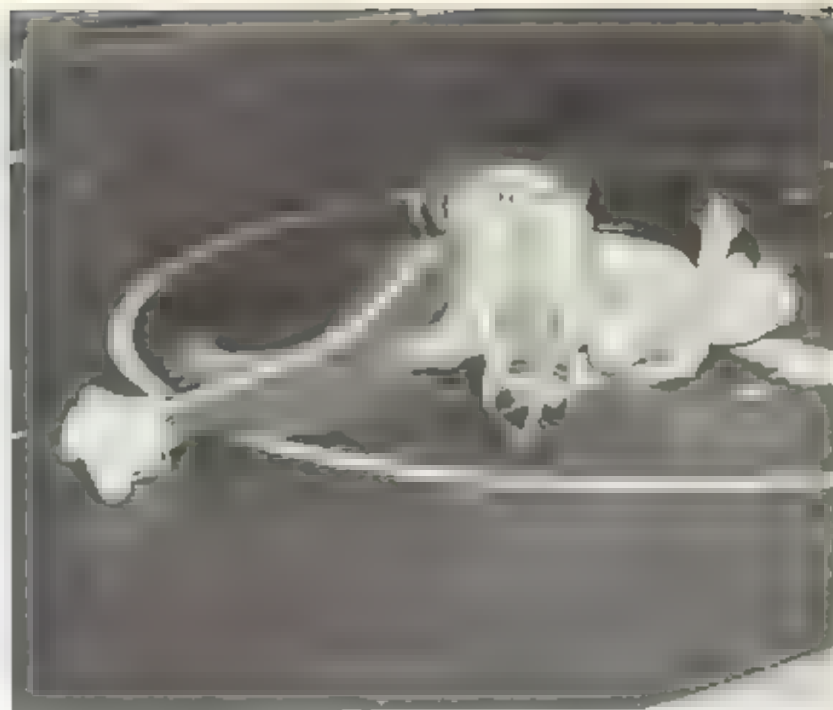

It's very difficult to find one word that would accurately summarize New Rochelle High School's basketball season this year. The season was exciting during close games, depressing when we lagged behind and extremely satisfying when we surged ahead with the score.

There were several thrilling games, White Plains being the most exciting. Tom Scott scored in the last few seconds to boost the score to 59-48, giving us a highly pleasing victory over White Plains. The Purple Cagers lost three games by only one basket each: Yonkers, Stepinac, and Roosevelt. The Sacred Heart game represented the only upset. Their first loss was to us.

Coached by Paul Ryan and captained by Al Peters and Tom Scott, the team consisted of Seniors Irving Weekes, Mike Williams, Dennis Meir, Ronald Thompson, and Cagle Moore. Al Peters was the high-scorer with an average of 13.6 points a game. Following Peters, in order of average points per-game were Neil Peterson with 11.5, Irving Weekes with 10.9, Mike Williams with 9.8 and Tom Scott with 6.9. The loss of Tom Scott at mid-season was a tremendous misfortune for the Cagers. Despite this handicap, New Rochelle placed third in the WIAA.

Coach Ryan feels that the future looks bright because of promising sophomore prospects. Good luck to next year's dribblers.

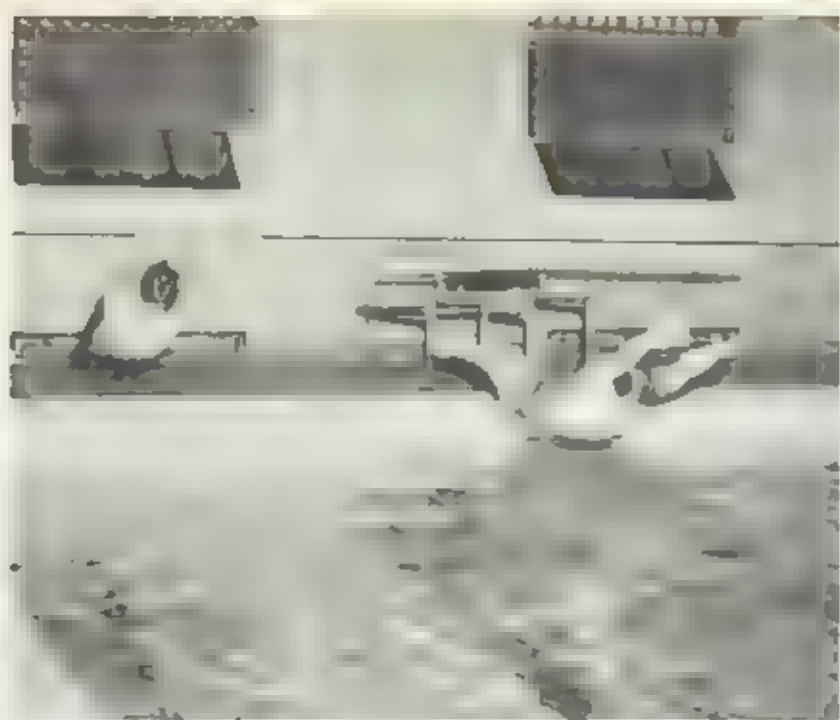

WRESTLING

The New Rochelle High School wrestling team completed its season with a two and eight dual meet record

The team, under the able coaching of Mr. Shunohara, was highlighted by the performances of many outstanding wrestlers. Co-captains Roger Heimann and Charles Pinkney placed first in the Section I meet in the one hundred and sixty-nine pound and the one hundred and twenty-four pound classes respectively. Lee Nordan, a junior, placed second in the one hundred and forty-eight pound class. Only four wrestlers from the entire Section I placed in the state meet; two of these came from New Rochelle High School—Charles Pinkney who placed second—and Roger Heimann who placed fourth.

The wrestlers who made up the varsity squad were Roger Heimann and Charles Pinkney, co-captains, Amosley Sigmund, Charles Morganstern, Ted Schuster, Allan Newman, Edward Ray, Sandy Kessend, Robert Allen, Lee Nordan, Peter Palmisano, Andrew Long, Wayne Marshall, Nick Carino and Leon Harris.

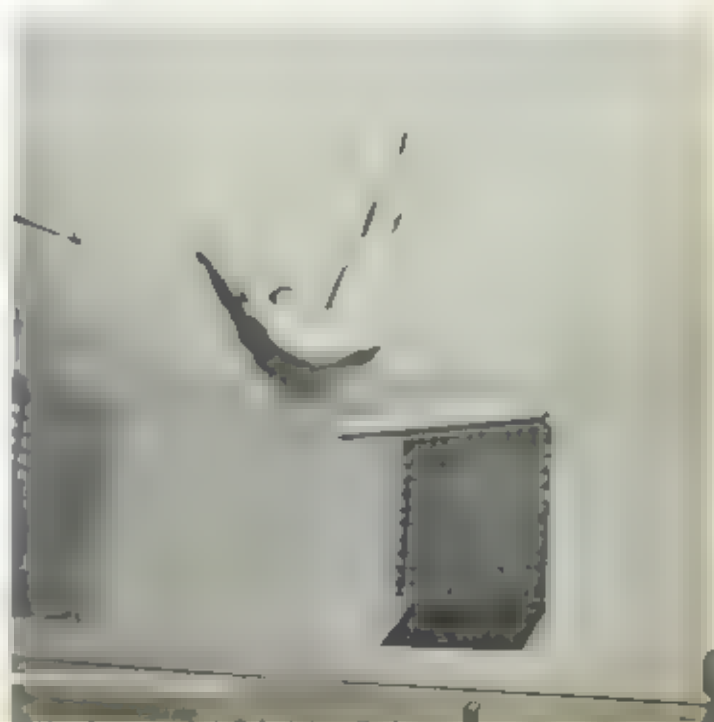

SWIMMING

This year the New Rochelle High School swimming team enjoyed one of its best seasons ending up with a seven and one league record

The team under the leadership of John Keller, Ronald Szczypkowski, and co captains Glenn Quittell and Richard Emery placed second in both the W I A A and Section I swimming meets. Such fine swimmers as John Lane, Frank Utsch, Mike Rinaldi, Richard Emery, and divers Richard Tobin and Charles Fulton were great assets to the team. John Lane broke two Section I records in the 200 and 400 yard freestyle while Dick Tobin set a new diving record.

All of the following: Glenn Quittell, Richard Emery, Frank Utsch, Steve Brandler, Robert Yankowitz, Peter Rainsford, Larry Rosen, John Bauer, David Alderson, John Lane, Mike Rinaldi, Kevin Fitzpatrick, Jeff Douglas, Mike Parker, Philip Gerhardt, Alan Yankowitz, Donald Gerhardt, Alan Rosenholtz, Fred Sachs, Charles Fulton, Richard Tobin, Howard Ranger, James Young, Bart Arnold, and Elliott Mason contributed their efforts and helped the team achieve its outstanding record.

VARSITY HOCKEY

HOCKEY CHEERLEADERS

Hockey spectators were pleasantly surprised this year as they were confronted with another New Rochelle High School first: the Hockey Cheerleaders. Led by Captains Hannah Gedalia and Wendy Osborne, the squad, consisting of Bette Fischer, Susan Tuttle, Amy Troum, Ian Webber, Susan Newman, Ann Streger, Judy Gefner, and Nancy Heaton, skillfully and uniformly performed cheers on ice. We hope this group will be continued in future years.

The one word to describe New Rochelle's 1963 hockey season would be "exciting." Concluding with a slate of four wins, four ties, and four losses, this year's "pucksters" experienced many close games. Highpoints of the season were the two White Plains games, the Greenwich game, in which John Glickman scored in the last seventeen seconds to tie with a score of 1-1, and the Mamaroneck game, in which New Rochelle scored three goals to tie with six minutes remaining in the game.

The team was again fortunate to be under the very capable coaching of Mr. Morgan. Said Mr. Morgan, "With a couple of breaks our record would have been at least three more wins." Without those breaks the team managed to place fourth in the WHHL, with one tie preventing them from placing second. The loss of Co-Captain Bob Fisher during the beginning games and later the unfortunate loss of Tom Falk were two big handicaps.

The team, captained by Bob Fisher and Pete Marrus, played extremely well. Outstanding players who participated in the All-Star game were Dave Richman and John Glickman. High scorer for the team was John Glickman.

Departing this year will be Seniors Bob Corbin, Pete Evans, John Glickman, Larry Klinghoffer, John Mangels, and Dave Richman. Bob Fisher and Billy Bollman also made their final appearance.

VARSITY BASEBALL

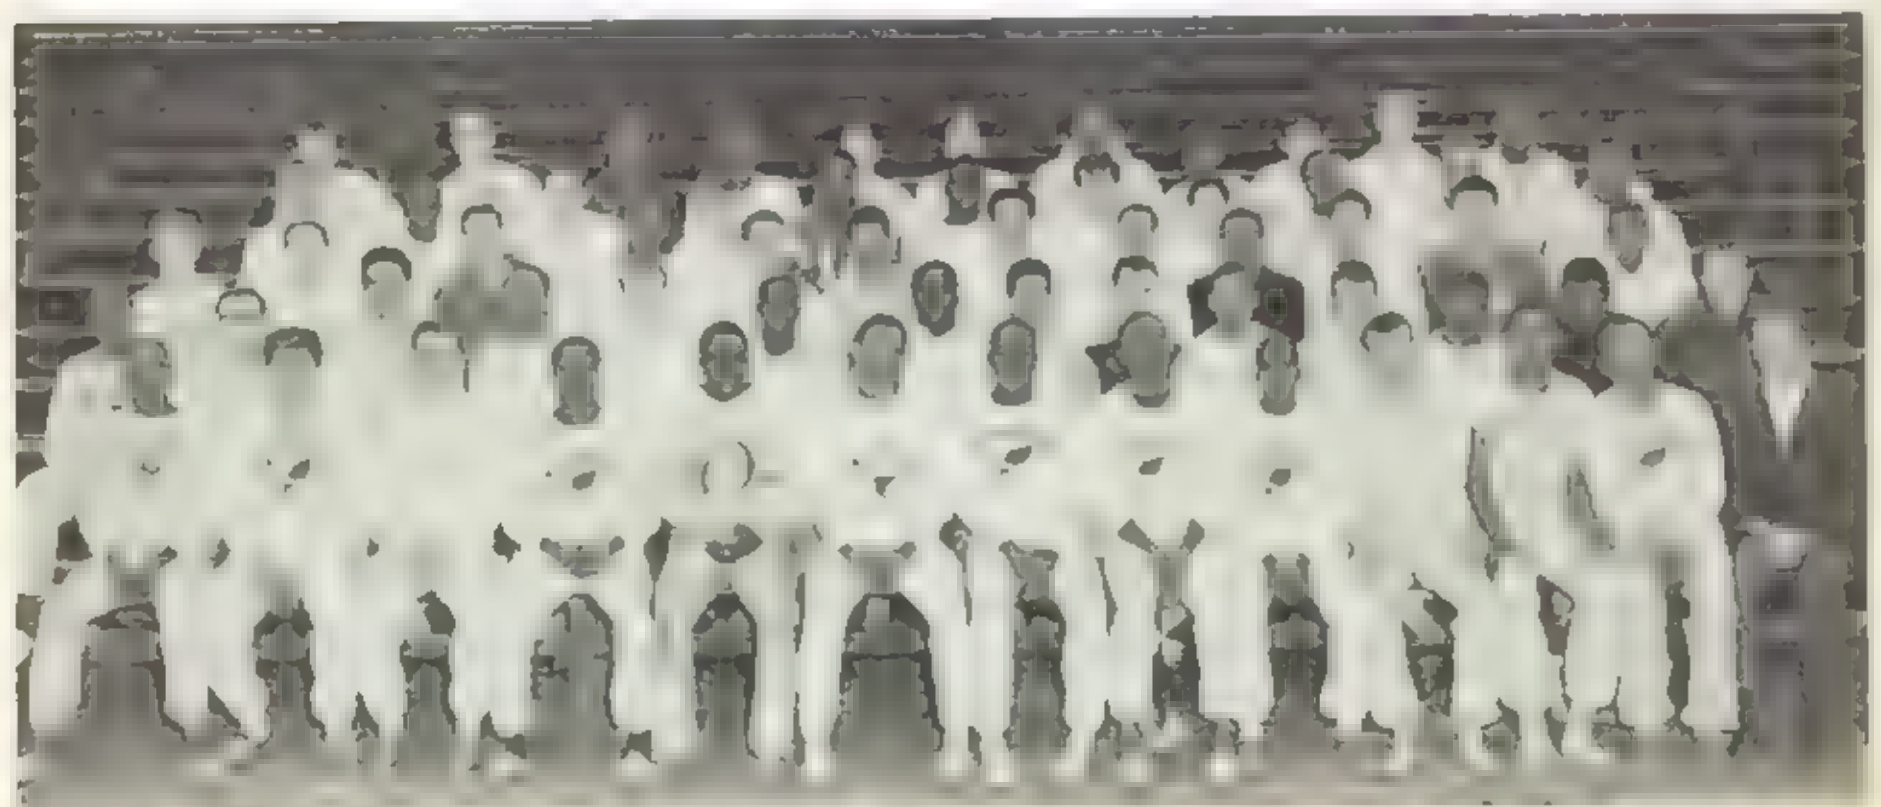

The New Rochelle High School baseball team, under the tutelage of Coach John A. Keller, dean of Westchester baseball coaches, made a fine showing this year. Their tough schedule showed them pitted against the county's biggest powers like their WIAA rivals White Plains and Mt. Vernon. Also on calendar appeared dates with mighty Port Chester, Mamaroneck and Yonkers as well as the finest in the CIISAA—Iona Prep, Stepinac, and Mount Saint Michael's of the Bronx.

A well balanced pitching staff centered around ace hurler and co-captain George Barelli along with Kevin Callahan, Lou Niccolotti, Dave Brehaut, and Chipper Chimento.

The field was well covered by standouts Denny Meir, Co-captain Bob Mark, Billy Lapham, Jimmy Murphy and Frank Friscia. Not only did they show good defense, but hit with titanic power. Others to grace the lineup were Seniors Bob Corbin, Bob Werblin, Steve Gold, Pete Pagano, Elliott Mason and Juniors Paul Pacchiana, Lyn Bradley, Frank Lore, Rich Damask, Jim Toohey, Dennis Preston and Andy Ruffi.

Mr. Keller is left with a good nucleus for next year's team and from the looks of Coach Don Baughman's J.V. Squad, he should have a winning team for the next few years.

WINTER TRACK

The Winter Track team finished a season that must be classified as nothing short of fabulous. They went through some of the toughest competition amassed at large meets like the Millrose Games, Knights of Columbus Games, St. Francis, Bishop Loughlin, Cardinal Hayes, WTCOA, WIAA, Section I and New York State Championships—not to mention a

Indiv. team captain. Vann Drakeford and Coach Homer Hamilton, Ollie Hunter, Billy Laphan, Billy Burke, Don Hazelwood, Richard MacCaffty, Vannie Drakeford and Jack Foster. Coach Wally Pina's boardmen of 1963 must go down as one of the school's most winning varsity teams.

CROSS COUNTRY TEAM

The 1962 Cross Country team found the hill and dale just a little tougher going this year, but it really looks like the team to beat in the future. Coach Dan O'Brien's harriers suffered defeats in their only dual meets to Mount Vernon 27-18 and White Plains 24-31. They also failed to attain their par first in the WIAA Section I, and Coaches and Officials Championships.

Despite their resemblance to a cloudy evening sky, one bright star shone through with luminous luster. This star was Homer Hamilton, who copped firsts against White Plains and Mt. Vernon, not to mention the WIAA and Section I, Class A titles. Also giving good efforts on the two and a half mile course were team captain Gerald Roper, Marlin Schwartz and Duncan Carmichael.

The team boasts many fine players who intend to rebuild the squad into a dominant power in the county next season.

SPRING TRACK

The 1963 Spring Track team gave even a better showing than its predecessor, the Winter Track team, winning every championship in its way.

In dual meets the boys ran roughshod over opposing teams from Commerce High in New York City, Stamford, Iona, White Plains, and Mount Vernon. The sprinters, Jeff Wynn, Rich MacCaffty, Don Hazelwood, and gazelle footed Ollie Hunter (9.8 seconds in the 100 yard dash) ran circles around their opponents in the Penn Relays, WIAA, Section I, New York State Intersectional and Eastern Regional meets. The more lengthy courses were covered by Gerald Roper and Homer Hamilton.

In the field events George Lee, Pat Pascretta, Roger Hermann, Paul Dickler and Gower Yuen shone brilliantly.

Coach Wally Pina was extremely pleased with the young men on the team and declares them to be one of the greatest, if not the greatest, track team in Westchester interscholastic history.

GOLF TEAM

The 1962-63 New Rochelle High School golf team coached by Mr. Don Gaston, enjoyed a good season this year. Robert Siegel, the only returning letterman and Section I winner, was captain of the squad, which although inexperienced, defended its position as Section I champs.

Golf seems to have gained great popularity as a team sport this year, evidenced by the fact that thirty boys, more than ever before, tried out for the team. Robert Siegel, Captain, Seniors David Richman and Robert Weiner, Juniors John Sternfeld, Jeff Gluck, Alan Malitz and Richard Amado, with Sophomore Mike Robinson were the mainstays of the team.

TENNIS

Consistently, the best team sport in New Rochelle High School since World War II has been tennis. Unpublicized and unheralded though it is, New Rochelle High School tennis teams for years have dominated the sport in Westchester county, and recently in New York State, and in so doing have amassed an amazing total of records.

The New Rochelle tennis team lost its last regular season match in 1957, since then winning 40 straight meets, unmatched in the sports history of this school. The tennis team last failed to win a WIAA championship in 1946, the year most high school sophomores were born. Last year's tennis team won the Section One championship in Westchester county, with two of its doubles teams advancing as far as the quarter final round in the New York State section championship (one team advancing to the semi final round) before being eliminated.

BOWLING

This year the Huguenot Bowling Team put in many hours of hard work and practice to win a well-earned third place in the Section I League. An excellent job was done by Mr. Don Gaston who was sponsor and coach, and by Bill Hammel who was captain this year. This was the second year Bill was high scorer for the team.

Other outstanding seniors were John Meles and Ray Smith. Prospects for next year are extremely promising with the return of the sophomores and juniors.

The team practiced and had meets at Roger's Bowling Alleys in New Rochelle.

RIFLERY

The 1963 Varsity Rifle Team, coached by Mr. Calvin Wintman, and captained by Bob Strumor, has had great difficulty in obtaining a suitable practice range this season. Despite this handicap they placed second in the sectional tournament and fifth in the league; they finished the season with a three-to-seven record. Next year the team hopes to obtain a range in the administration building.

Outstanding marksmen for the Purples were captain Bob Strumor, Joe Michelson, Rick Cole, Don Corniato, Pete Lipsio, and Mitch Halperin. Rick Cole will be captain next year.

J.V. FOOTBALL

The year 1962 proved to be an outstanding one for our J V football team coached by Ronald Szczypkowski and his assistant, Thomas Walsh. The "Little Purples" compiled an enviable 6-2 record and produced some top-flight material for next season's varsity squad.

After suffering two defeats at the hands of Port Chester and Mamaroneck, the boys bounced back to take the next four straight. Mr. Szczypkowski attributes the slow start to lack of experience. Many of the boys had never played football before and organization took a little longer than originally anticipated. As the season progressed, though, the team showed great improvement.

The players who will make up the nucleus of next year's varsity are backs Tom Yizar, Steve Mark, La Monte Davis, Vincent Ruhl and James Hollis and Linemen Nick Carmo and Wally Robertson.

J.V. BASKETBALL

The Junior Varsity Basketball squad was off and running this year, literally shunning all opposition. Their successful campaign ended with an inspiring 11-4 tally.

Coach Daniel O'Brien feels that if some of his valuable material hadn't played with the varsity in the beginning the team's season might have been a clean sweep. However, the boys managed to come through after a slow start because of their great speed and accuracy.

Potential starters for the senior edition next year are forwards Terry Calnek and Pete Wagner, guard La Monte Davis and centers Mike Robinson and Frank Parker.

The N.R.H.S. J.V. Hockey team coached by Mr. Lawrence Fink, had an unblemished record as a junior varsity squad, finishing with a perfect 4-0 record. The sole defeat they suffered was at the hands of their upperclassmen on the varsity "B" team.

The team got its season under way with a victory over Nyack followed by more of the same over Mamaronock, White Plains, and completed its season by downing their trans-Hudson "cousins" from Nyack again. The Little Purples were led by goalie Pete Passarelli, speed skaters Glenn Bishop, Don Pagliari, Russ Lewis, and Johnny McNair.

The boys look like a fine core for next year's varsity squad, which should prove to be a big power in the W.H.L.

J.V. HOCKEY

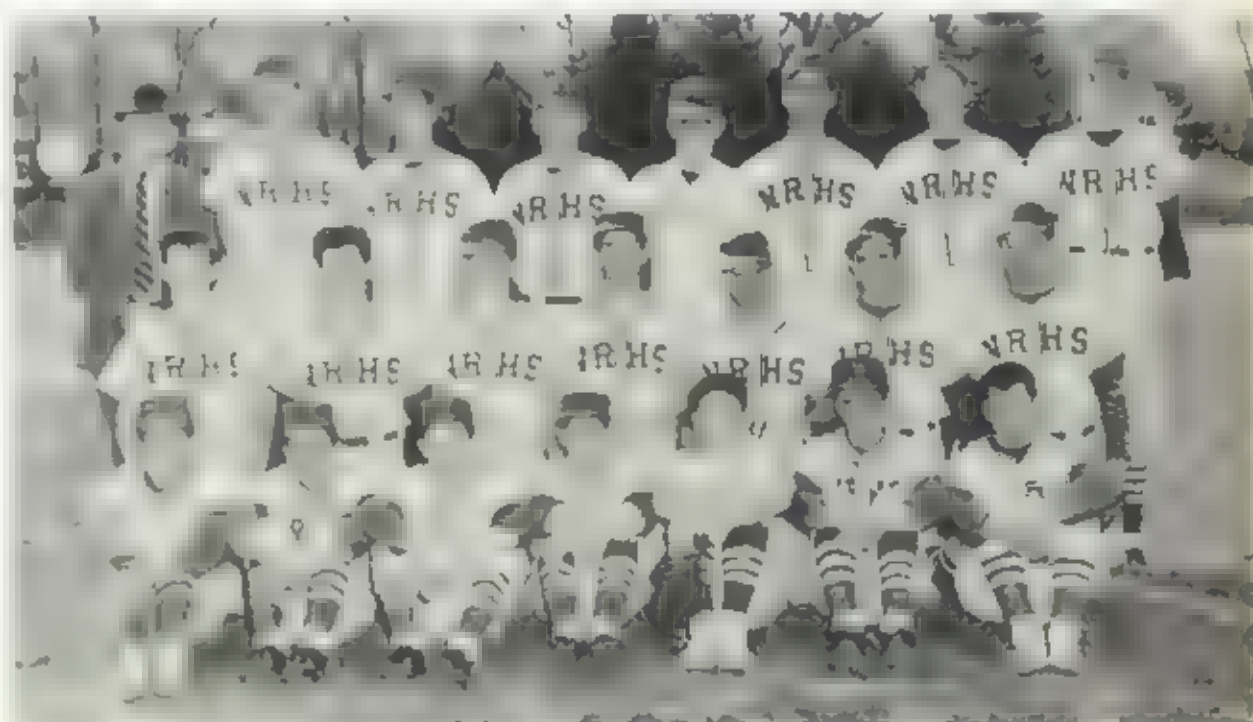

J.V. TENNIS

The 1963 "Sophomore Sluggers" on the Junior Varsity put on a tremendous showing this past season under the direction of Don Baughman.

A tight infield composed of Al Menikoff, Johnny Giles, Lou Gucione, and Dave Sabin worked harmoniously with outfielders Eric Schoenbaum, Frank Patti, Larry Wolfson and Steve Mark for a rigid defense. The pitching of Pete Wagner and Arne Jacobson was superb—with good relief work from Dave Hart. Ralph Shedden, the Little Purples' backstop, was magnificent on the care of his own pitchers and destructive against opposing pitchers. Fine bench strength was found in Bill Zaccagnino, Dickie Wolfsie, Don Pagliaro and Pete Motta.

Last Will and Testament

WE, THE SENIOR CLASS OF NEW ROCHELLE HIGH SCHOOL, situated in Westchester County, in the state of New York, do hereby declare and publish this to be our LAST WILL AND TESTAMENT

The members of the Ski Club leave behind them ski trips filled with fond memories

Joel Resnick and Steve Schechter leave to future leaders many headaches and uncounted noses.

To the fortunate juniors who drive to school we leave empty spaces in the teachers' parking lot.

Andy Dauer leaves his great passing ability so well demonstrated third period every day

Penny Ancell and Carol Drescher leave hoarse voices, well used uniforms and instant school spirit for the captain of next year's cheering squad

Bob Mark and Kevin Adrien leave their helmets and talents to the key men of next year's football team

David Brandon and David Enoch leave success to all juniors attempting the Regents Scholarship Exam next year

Gower Yuen leaves his locker in the Girls Locker Room to one of next year's enterprising football players

Pete Marrus and Johnny Glickman leave to Mr. Morgan a new hockey stick to aid in teaching history.

Steve Goldstone leaves a box of stuffed animals

The G.O. leaves a full treasury

We leave Barry Goldwater to the Forum Club

Left Mamorsky leaves his well-used Thesaurus.

The decoration committee of the Winter Prom leaves a giant snowman, a soggy souvenir of a wonderful event

The senior boys leave the junior and sophomore girls wonderful memories of the Senior Prom

The senior girls leave their memories of wondering and wait-

To Mr. Manchel, we leave a sound-proof ceiling, and to Mr. Street, we leave a new set of steel balls

To Mrs. Hawthorne, we leave someone to replace Kenny Mate in the Guidance Office

To Mrs. Dempsey, we leave a junior gym class composed of coordinated seniors

To Mr. Pasciuti, we leave the Honor Society.

The senior girls leave interchangeable wardrobes, social dancing, and senior slump caused by the absence of last year's senior boys.

The senior boys regretfully leave the junior and sophomore girls.

To Miss Koff we leave smudged galleys and ingenious excuses.

To the custodians we leave a major part of the senior lunch room the rest goes to next year's seniors

To the Board of Education we leave a \$17,000 football field.

To our sponsors, Mrs. Glass and Mr. Agresta, we leave our heartfelt thanks for the headaches that they have endured this year

Tom Scott and the Senior Council leave many wonderful memories and a clean up committee for the senior lunch room

To the Guidance Staff we fondly leave a collection of extremely battered college catalogs, a few tears, and a complete manual of instruction on the use and operation of the I B M

To New Rochelle High School we leave a new administration.

We hereby revoke any and all wills and testaments heretofore in the Rochellean.

In witness whereof we have hereunto set our hand and seal this graduation day, nineteen hundred and sixty-three

NEW ROCHELLE HIGH SCHOOL
SENIOR CLASS

Alma Mater

New Rochelle rising to the
 Alma Mater's crest
 Cherish it as our memories lie
 On the tower - point here
 We come to gaze across the lake
 In the tower proud and high
 A symbol of the city you make
 The goal for which we try
 New Rochelle here with the sun
 More above the towers
 Pride it bears to be done
 Hope for its future
 The key to its eternal I you bring
 A debt we never forget
 Of New Rochelle we are the
 The one we never see
